

Introducing The New...

QUICK FIT ECONO SUPER HINGE™

NFPA 96 COMPLIANT ECONOMICAL HINGE SOLUTION

Economical NFPA compliance in a single solution!

The Quick Fit Econo Super Hinge™ is manufactured with the same durable materials as our SuperHinge™ and made at the same factory in the USA.

- Built in Service Hold-Open Retainer (a key NFPA96 requirement) •
- Allows for more even weight distribution saving fan from damage •
- Perfect for the smaller fans on the market •

Don't use two pieces of equipment to meet NFPA96 requirements for your small fans!
